Experience

Kendra Scott

Front End Developer   10/2020 - Present

- Developed 19 comprehensive homepage refreshes with 106 additional banners, landing pages, and category headers in response to emerging business needs while collaborating with web merchandising, creative, and copy teams to produce branded, responsive web content.
- Owned the delivery of 24 engraving products on the site while working closely with photography, distribution center, and merchandising teams to ensure a high-quality frontend rendering that matched the physical engraving result.
- Launched 9 custom Color Bar products and 8 Color Bar stones aligning with retail launches.
- Built a custom Image Uploader solution using React, Node.js, MongoDB, and Express.js for the eCommerce department that enabled the team to upload, store, and access images and videos hosted on Cloudinary without providing access to the shared business account.
- Coded transactional marketing emails using Apache FreeMarker, HTML, and CSS in a departmental endeavor resulting in streamlined email delivery to customers.
- Developed reusable, flexible, and ADA-compliant category header templates for the eCommerce team that decreased product listing page load times, decreased cumulative layout shift, and improved core web vitals.
- Ensured ADA-compliance on all homepage updates resulting in zero homepage compliance violations while consulting on accessibility improvements and requirements across the site.
- Trained web merchandising department on custom integrations and authored technical runbooks that were understood and used by a non-technical audience.

Trilogy Education

Full-stack Bootcamp Tutor   07/2020 - 10/2020

- Taught Trilogy bootcamp students a wide range of topics depending on their needs, focusing on a foundational understanding of topics and gradually building in complexity, resulting in greater comprehension and more prepared graduates.
- Maintained a roster of students, organized a complex scheduling system, and communicated consistently and clearly to each student.
